

Marvel

Today look inside me and tell me what you see
Today look inside me I just wanna feel it
All around you, like a road on a summer day
Everything shimmers
Close your eyes now and I'm gonna show you
The wonder shining in you

There's a diamond inside you hidden even to you,
Maybe you can turn it on
There's a diamond inside you
You don't know how to light it
Maybe we can turn it on

Today we'll go to the sea and I hope you will see
This shell deep in the sea I just wanna feel it
All around us, twisting through the waves
Everything mutates
Take a breath now and I'm gonna lead you
To the galleon in you

There's a diamond...

Caught up in the flow
We don't even know if it's day, if it's high, if it's low,
I can't see you anymore in the flow, you let my hand go,
If I find you, baby we will turn into gold
But it's time to go

There's a diamond...
